

A Smart Choice for Multi-Family Housing Developers

2018 Multi-Family Rebate Application

Metropolitan Utilities District has implemented a natural gas program for developers of multi-family housing that will pay up to **\$500** per furnace. **\$50** additional for ranges, water heaters and fireplaces. Plus **\$100** for gas dryers. This *Smart Choice* is not only beneficial for you, it will also provide your tenants with the reliable, efficient and clean fuel they prefer.

Requirements:

This rebate form must be received with a gas service application.

Applies to new construction, renovations dividing existing gas load and conversions.

Each unit must have a natural gas furnace.  Individual units must be metered separately.

Rebate will be provided after meters are set.  Heat pumps may not be used.

Funds are available on a first come, first serve basis. M.U.D. reserves the right to verify the requirements are met.
