

DID YOU KNOW?

You can save money when you convert to natural gas appliances or purchase a rain sensor for your lawn sprinkler system.

The District offers rebates for a variety of gas and water appliances.

Please check the back side of this flyer for a list of current rebate offers.

For eligibility details and rebate forms visit:
<http://www.mudomaha.com/our-company/rebates>

Natural Gas Dryer: If you purchased a natural gas dryer in 2017, you may be eligible for a \$300 rebate.

Rain Sensor: If you purchased a rain shut-off device for your sprinkler system in 2017, we offer a \$50 rebate.

Furnace or Water Heater: If you are converting your furnace or water heater from electric, propane or oil to natural gas, call 402.504.7981 for rebate information.

Multi-family Natural Gas Furnace: Available to developers of multi-family housing, the rebate will pay up to \$500 per furnace.

Commercial Natural Gas Water Heater: Available to developers of commercial buildings, the rebate will pay \$300 per water heater if converting to natural gas.
