APPLICANT TO CONTRACT WATER MAIN: YES NO

Would you like to discuss advertising the water main project with a firm completion date and contractor liquidated damages? YES NO

REMARKS:

The Applicant hereby requests the District begin design work for the main extension project described on this Application. Applicant agrees to pay District for actual costs incurred in this design (Design Costs). Design Costs will be incorporated into the total project costs which Applicant will pay pursuant to a Main Extension Agreement. In the event Applicant does not execute a Main Extension Agreement, Applicant shall pay District directly for Design Costs upon demand.
