Alternate non-renewable space heating sources other than natural gas?

- No planning to install
- Yes (electric resistance air source heat pump ground source heat pump oil)

I certify the above information is correct to the best of my knowledge. **I understand I am not to install gas burning equipment prior to receipt of an approved copy of the permit.** Roof top units will not be inspected or serviced unless a ladder or other access is provided. I understand M.U.D. may deny gas to the applicant if a permit is granted on the basis of incorrect or misleading information furnished. I agree to these conditions and all M.U.D. Gas Rules and Regulations (www.mudomaha.com).
