# HEAT THE STREETS

RUN & WALK FOR WARMTH

With winter here, there is a chill in the air and the days have gotten shorter. For those with limited incomes, the stark reality of winter means making the difficult choice between food and warmth - with warmth being the usual sacrifice.

That is why the utilities serving the Omaha metro are once again joining together to ask for your participation and support in the 11th annual Heat the Streets Run & Walk for Warmth.

The funds raised are managed and distributed to those who are elderly or disabled, or families who have fallen on hard times and need help getting back on their feet.

Scheduled for **Saturday, March 3, 2018, at Werner Park**, this event features a timed 5K and an untimed, family-friendly walk. New this year - sign up as a Virtual Runner if you are unable to participate the day of the event.
