Re: Sewer/Septic Line Information for <<Serv_Address1_XXXXXX>>

<<Sample Sample_XXXXXXX>>,

The original sewer/septic line buried underground on your property <<was installed before <<AOR>>, and you>> are currently not enrolled in Exterior Sewer/Septic Line Coverage from HomeServe, who is offering eligible homeowners protection for their sewer/septic line.

Because you own this line, you are responsible for repairs in the event of a sudden breakdown.

We are writing to you to provide you with an opportunity to accept protection against the costs of covered repairs if this line breaks down. The exterior sewer/septic line on your property is primarily affected by aging and normal wear and tear. **If this line requires replacement, it may cost you thousands of dollars.**

<<Serv_City>> Homeowner Benefit Review:

Homeowner: <<Sample Sample_XXXXXXX>>

<<Serv_City_XXX, Serv_State, Serv_ZIP>>

Benefit Amount: Up to \$10,000 per service call with multiple calls annually for covered repairs

Without this *optional* protection, homeowners may be at risk for expensive sewer/septic line repair costs. For just \$8.99 per month, eligible homeowners can take action to help prevent the unexpected burden of high repair bills for aging sewer/septic lines.

Part 3

KNOW YOUR RESPONSIBILITY

As a homeowner, you are responsible for the sewer/septic line on your property, and you will have to arrange and pay for any necessary repairs. This illustration shows the location of the sewer/septic line on your property. Also shown are repairs that are commonly performed on this line and how much licensed and insured plumbers would typically charge.

Coverage also includes the septic line, from the external wall of your home up to the point of connection to the septic tank on your property. Septic/collection tanks, leaching fields and grinder pumps are not covered.

Many homeowners do not know that basic homeowners insurance typically only covers things like property damage to your home, but not damage due to normal wear and tear to your sewer/septic line. You are not covered with Exterior Sewer/Septic Line Coverage in the event of a breakdown on your property.

†National average repair costs as of June 2020. No charge for covered repairs up to your service call benefit amount.
