**— Information Regarding Your Interior Plumbing and Drainage —**

Dear <<Sample A. Sample>>,

Many homeowners are not aware that basic homeowners insurance typically doesn't cover the cost of repairing their interior plumbing and drainage pipes damaged from normal wear and tear. The interior pipes that move fresh water through your home and eliminate wastewater could suddenly break down, leaving you responsible for the cost of repair. Repair or replacement of these pipes can be expensive—costing you hundreds of dollars in unforeseen expenses—which may burden finances.

HomeServe is offering eligible homeowners protection for repairs to their interior plumbing and drainage pipes. This program provides repair coverage for these interior pipes with no deductible and a 24-hour hotline available 365 days a year to schedule a repair.

This protection is available for eligible <<Serv\_City>> homeowners.

### Important Questions & Answers

#### What am I responsible for?

As a homeowner, you are responsible for the interior plumbing and drainage lines in your home.

#### Does my homeowners insurance cover this?

Most basic homeowners insurance policies do not cover repair or replacement due to normal wear and tear of the interior plumbing and drainage lines.

#### Who is eligible for coverage?

To be eligible, you must own the residential single structure or a unit within a structure. You are not eligible if your home is a recreational vehicle or otherwise intended to be moved; your property is used for commercial purposes; you know of any current problems with your interior plumbing and drainage lines before enrollment; or your entire interior plumbing and drainage line is shared with a 3rd party or covered by a homeowners' association or the like. In IA, properties with more than 4 dwelling units are not eligible.

#### What should I know about this coverage?

**What's covered:** Coverage provides, up to the applicable benefit limit, to repair or replace the interior plumbing and drainage lines that have experienced an operational failure, for which you have sole responsibility, that are damaged due to normal wear and tear, not accident or negligence.

**Not covered:** Non-conforming drain lines; appliances, fittings or fixtures, vent stacks, pressure reducing valves, backflow prevention devices, fire suppression and other sprinkler systems, irrigation systems, distribution piping such as for radiators and heating systems, condensate drain lines for cooling systems, pumps, or grinders, frozen pipes and damage from accidents, negligence or otherwise caused by you, others, wildlife or unusual circumstances. Costs on covered repairs may exceed the benefit limit, in which case you pay the difference

between the cost and the benefit limit. Additional exclusions apply. See full Terms and Conditions with complete coverage and exclusion details prior to enrolling by calling 1-833-397-0296 or going to [www.PlansforOmaha.com](http://www.PlansforOmaha.com). Disputes resolved by arbitration, without class action or jury trial, unless otherwise stated in your full Terms and Conditions.

#### When can I make a service call?

Your plan starts the day your enrollment is processed. There is an initial 30-day waiting period before you can make a service call, providing 11 months of coverage during the first year. Upon renewal/reactivation (if applicable), there is no waiting period.

#### What is the cancellation policy?

Cancel any time by calling HomeServe at 1-833-397-0296 or visiting [www.homeserve.com](http://www.homeserve.com). If you cancel within 30 days of your start date, you will get a full refund (less claims paid, where applicable). Cancellations after the first 30 days will result in a pro-rata refund (less claims paid, where applicable).

#### What is the term of my service agreement?

The plan is annual. Unless you cancel, your plan automatically renews annually at the then-current renewal price with your same payment terms.

#### What is E-Z Pay?

E-Z Pay is a paperless and stress-free way to pay for your coverage. Payments are automatically debited from the bank/checking account of your choice as your payment becomes due, at no additional cost.

#### Who is HomeServe?

HomeServe is an independent company, separate from your local utility or community. If you would prefer not to receive solicitations from HomeServe, please call 1-833-397-0296.
